

Infants and Toddlers

Room 104

Nursery Care is provided by dedicated and trained caregivers each Sunday and at other times as needed. In addition to attentive and encouraging care, our youngest saints will hear a Bible story, sing, and enjoy a simple craft.

3 through 5 Year Olds

Those children ages 3 through 5 study *Growing in Grace and Gratitude* published by our denomination. Each week, the children:

- Gather in God's Grace – This includes singing, praying and hearing the Bible story.
- Explore God's Grace – activities to help them recognize God's grace in their lives.
- Loving and Serving God – sending extending an invitation to discipleship that inspires children and their families to practice hospitality, generosity, and love.

Senior High Class: 9th-12th Grades

Youth Suite (Lower Level)

Our senior high students are reaching an age of critical thinking. As teens are increasingly exposed to new and different situations, we offer a nurturing, creative environment for reflection on being a disciple of Christ. Through movies, music, scripture and topical presentations, we walk with our teens as they wrestle with and understand the relevance of God and Christianity in their lives.

Confirmation Class: 8th and 9th Graders

This class is designed to help young people identify with the life and mission of the Church. During this period of instruction, participants consider their own faith beliefs and may confirm their commitment by becoming a member. This class will begin in January, 2017.
