Dear Northridge Family,

Our capital campaign this fall is titled “Called to Grow”. We are very fortunate to be a part of Northridge at this exciting time in our church’s life. We have a chance to do something truly lasting and memorable for future Northridge generations.

My hope is that you will begin to pray about what God might do through you in light of our Called to Grow campaign. Our Presbyterian Book of Order says that “Prayer is at the heart of worship.” Prayer is also at the heart of our life together as a community of faith.

In a few days you should be receiving a call from a member of our campaign’s Prayer Team. The primary reason for their call is to ask you to include our Called to Grow campaign in your daily prayers. Under no circumstances will they be asking you for money. They are calling to be sure you know what is going on and to urge you to pray for our church during this exciting time.

I believe that the upcoming days are some of the most important in our church’s history. With God’s help, we have an opportunity to do something transformative for our church’s Christian Education ministry. In faith, hope, and love, I invite you to pray with me as we work together toward that goal.

In Christ,

Ben
